## Farm Works Software Competitive Upgrade Offer

### Special Offer For Users of Other Farm Management Software

Are you unhappy with your current agriculture-related software?  
Do the features, expandability, and support options fall short of your needs?  
Did the software company change hands and directions, or even worse, go out of business?

### Upgrade to Farm Works Software 2008

Well-established company with proven ability and over 24,000 users  
Integrated set of programs to handle all aspects of farm and agri-biz management – office and field  
Easier than ever to learn and use, thanks to new Farm Works 2008 (version 13)  
Great support through both Farm Works and Martens Farms (dealers *and users themselves*)

#### What You Get

- One year of free Farm Works Software phone support (\$150). Although every Farm Works user receives free phone support for 30 days after registration, and email and online forum support are always free, a year of phone support is very helpful and worth a lot.
- Future update to new version
- Great Martens Farms prices, as well as honest, farmer-friendly help in choosing the best match of software for your needs.

#### To Take Advantage of This Offer

1. Purchase **THREE OR MORE** of the **Farm Works modules** from Martens Farms at a Farm Show, online at 123farmworks.com, or by phone at 877.585.6761. These modules must be purchased at the same time to qualify.
2. Be a **US resident**.
3. Complete the **Competitive Upgrade Form**.
4. Get your **Proof of purchase of competitive software** (one of the following):
  - Copy of original purchase receipt
  - Program CD or diskette(s)
  - Program manual
5. **Mail a copy of the form, along with one proof of purchase** to:  
Farm Works Software - Competitive Upgrade Offer  
PO Box 250  
Hamilton, IN 46741
6. When you want to activate your support, simply call Farm Works at 260-488-3492. They will start your twelve months of free support at that time.
7. When you are ready for your free upgrade, mail in your order form with "Competitive Upgrade" written in place of the payment method. Your upgrade will be shipped to you at no charge!

#### Qualifying Competitive Software

Competitive software packages include all current and previous agricultural management software programs. These can include accounting, mapping, field record-keeping, livestock record-keeping, and general farm management software.

##### Programs that qualify for competitive upgrades:
